# Seating Plan Preparations

At Turanga Creek we have beautiful dark oak wooden rectangle tables.
These tables are 1.6m x 0.8m and are combined to create longer guest tables up to 8m long (5 tables)
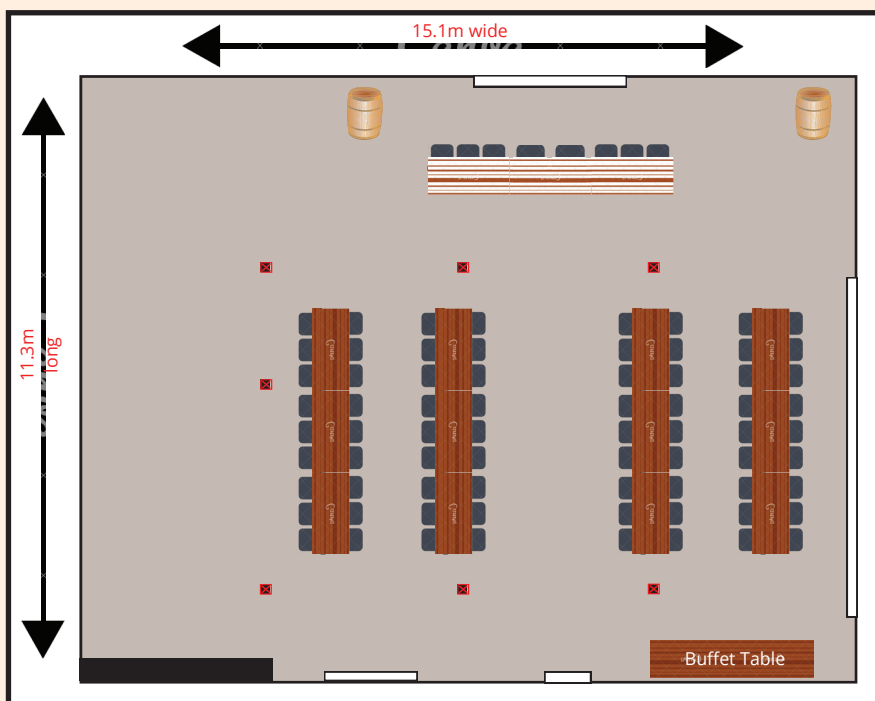

We find that most bridal parties consist of 6 or 8 people, including the bride and groom.

Here is a quick guide to seating plan layouts based on our common guest counts.

54 Guest Seats + 6 Bridal Party Seats = 60 Seats

72 Guest Seats + 8 Bridal Party Seats = 80 Seats
